

## ADVANCE YOUR CAREER WITH AUSTRALIA'S GEOSYNTHETIC MARKET LEADER

Do you want to be a part of an innovative and dynamic company that values your skills and talents?

Geofabrics is growing! We are actively seeking passionate and talented individuals to join our growing organisation. We currently have multiple sales (Technical Sales and Business Development) and customer service roles across our national sales team.

If you're interested in working for a forward-thinking business, please contact our Human Resources Manager, Heather Paliouras for more information.

- Email: [h.paliouras@geofabrics.com.au](mailto:h.paliouras@geofabrics.com.au)
- Phone: (03) 8586 9144

Join Geofabrics today and be a part of an organisation that is committed to protecting, containing and securing our world for tomorrow and future generations.

### About Geofabrics

At Geofabrics, we work to protect, contain and secure the physical environment using smart geotextile and geosynthetic products. For over 40 years, we have been helping our clients mitigate environmental risk through world leading research and innovative product development in key infrastructure sectors, including roads, rail, mining, waste & containment, defence, sports and recreation, renewables, water, coastal, aviation and ports. Our vision is to be a solution provider, to supply products that demonstrate cost savings, superior technical performance, safer operations and better environmental outcomes.
