Polyfabrics Acquired by Jaybro Group Effective 7th January 2020

Polyfabrics Australasia Pty Ltds' geosynthetics business including the Polyfabrics name has been acquired by Jaybro Group Pty Ltd effective 7th January 2021.

Jaybro Group is an Australian owned supplier of site consumables, geosynthetics and safety products to the civil and construction market.

Polyfabrics will remain a separate business unit of the Jaybro Group and will continue to be led by Andy Warwick.

"We're very excited to welcome the Polyfabrics business into the Jaybro Family. Polyfabrics is a well-known and trusted brand which will help strengthen our product offering." Jeremy Joyce Jaybro Group CEO

The Polyfabrics brand and product offering will remain the same and there will be minimal changes to operations.
