

Press Release

Tiltex Australia is pleased to announce the launch of our new website:

www.tiltexaustralia.com.au.

tiltexaustralia.com.au highlights our Australian and International projects across various applications including erosion control, channel & drain lining, rail applications, pipe penetrations, HDPE Liner protection, contamination capping & slope protection.

The website provides detailed information on our **Exclusive Tiltex B Anti Cracking GCCM** benefits including 80MPa Compressive Strength Concrete, 16.1MPa* Flexural Strength Concrete properties, 5 metre wide rolls, our full product range, latest news, detailed data and 3rd party testing information.

For further information contact Tiltex Australia at www.tiltexaustralia.com.au or email enquiries@tiltexaustralia.com.au or call our sales team on (02) 9484 3543.
