TENEEO

/ te-ne-o / [verb] Latin
To Contain | Hold | Retain | Keep | Restrain

Containment is in our name and it's what we do best. 'Teneo', derived from Latin for containment defines our expertise and sees us as the only vertically integrated containment delivery team in Australia.

Teneo is a principal contractor focused on safe, quality outcomes. Specialising in complex geosynthetic installations and large civil earthworks projects, we have delivered +\$200m of projects in the past 3 years.

Follow the QR codes for insights into how we safely deliver projects across some of the countries most prominent and remote resource sector sites.
