

PRESS RELEASE

TAI HOE TO DESTROY STOCKS OF GEOPLAST GUARD CONCRETE MATTRESS.

15TH JULY 2024

Tai Hoe Resources Sdn. Bhd (“Tai Hoe”) has signed an undertaking to destroy all stock of Geoplast Guard Concrete Mattress (a GCCM imported by Tai Hoe from China) and related marketing materials within 14 days and cease all business activities in relation to Geoplast Guard Concrete Mattress and any other product/method which would infringe Concrete Canvas’ patent MY-159271-A.

Tai Hoe agreed to this following a letter from Concrete Canvas Technology Ltd.’s solicitors informing Tai Hoe that their marketing of the Geoplast Guard Concrete Mattress GCCM (the GCCM imported by Tai Hoe from China) infringed the claims of Concrete Canvas’ patent MY-159271-A and that their marketing material advertising the infringing Chinese product included images of Concrete Canvas’ installations being passed off as installations of the infringing Chinese product.

Concrete Canvas will robustly seek to enforce their intellectual property rights where they are being infringed by a manufacturer, distributor or otherwise. Such enforcement will occur at a time and in a jurisdiction where Concrete Canvas can best accomplish its objectives. Patents exist to protect and encourage investment in innovation. It is in all of our interests to respect the law, including patent law.
